

**School Year 2011-2012**

**Attendance – Therese Craig, Michelle Fink, Carl Rhineberger, Jack Grace, Tom Taylor, Nicole Snyder**

**Approval of Minutes –**

**Parent / Guest time – Kevin Moore, Matt Minik.**

- Mr. Moore – concerned that their travel team is having a coercive effect. Because of the posting on the website and the email that was sent. He feels that this sets a bad precedent. He is also concerned because it was advertised on the website that he felt that it is supported by the school.
- Mr. Minik – son was on the B team. \$700 Max vs. 300 Blazers. Abuse the situation of volunteer to try and capitalize

Collaboration: Therese gave the background, collaborations and discussions are that board has decided that this is a conflict of interest and that he cannot coach a team this year that he is coaching the grade level travel team for. This is for this season and can be revisited in the future. This is also due to the fact that a non-approved email was sent to parents that gave the undertone or perception that if kids did not play on his team they will either not make the “A” team and or their playing time will be cut short.
